## Air Force Band Patriotic Concert

The Air National Guard Band of the West Coast supports the global Air Force, including Air National Guard missions, by fostering patriotism and providing musical services for the military community as well as the general public. The band's primary mission is to serve communities throughout California, Idaho, Montana, Nevada, Oregon, Utah, Washington and Wyoming. Recent deployments include Peru, Guyana, Afghanistan, Iraq and other countries throughout the Middle East.

The band is composed of citizen-airmen whose civilian occupations range from professional musicians and music educators to computer programmers, accountants, engineers, and law enforcement officers. As a musical ambassador, the Air National Guard Band of the West Coast is proud to represent the State of California, the Air National Guard, and the United States Air Force.
